I never through that losing you would be this hard. I find myself wanting to call you or just see how you were doing. Uncle Ronald I miss you so much. When we both were going through some hard time we were there for each other. It seem so different without you. I have my picture of you at my desk at work. Of course I miss you good good cooking . In closing uncle I'm sorry for not coming to see in the hospital because I did not want to see you like that ,I wanted to remember the way I wanted too. Please don't think I didn't care because I did and I have cared about you uncle even when I was a little kid.

“ I am so sorry for your loss. The death of a loved one is the most difficult thing we deal with. I wanted to take this time to express my condolences to you for your loss. May you find comfort from Jehovah God's word the Bible. (Psalms 83:18) The Bible promises: "the hour is coming in which all those in the memorial tombs will hear his voice and come out." (John 5:28,29) Jesus Christ promised that millions now dead will live again on this earth and have the prospect of remaining on it forever peaceful paradisaic conditions. (Isaiah 65:21,22) You can have the hope of being reunited with your dear dead loved ones here on earth. The Bible also assures us: "He will swallow up death forever, And the sovereign Lord Jehovah will wipe away the tears from all faces." (Isaiah 25:8) Death will be removed from all the earth. Tears of sorrow will vanish. No one will die from natural causes or weep. These are promises that will soon be a reality. (Hebrews 6:18) May you find comfort from these promises. And may Jehovah God of all comfort be with you. (2Corinthians 1:3,4)
