“ My sincere and heartfelt condolences to the family and friends of Ron. He was such a young man to have to die so soon, and I can imagine how hard this must be for you all. Death is very sad at any time, and we shouldn't have to go through such pain. This was never God's purpose for us, and he promises that soon all sickness and death will be done away with forever. One day the earth will be a beautiful, peaceful paradise as it was in the beginning, and there will be no more dying. Rev 21,4 says, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. "The former things have passed away." Even the memories of this painful life will be erased, because Jehovah promises at Isaiah 65:17, "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart." Please keep these wonderful promises close to your heart, and if you would like to know how these wonderful promises will come about, please contact me at (410) 426-2541. May your precious memories continue to be a source of comfort to you in the days ahead. R Johnson###imported-begin###R Johnson###imported-end###
