I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

“ *"The Angels Are Calling Me"*

An Angel whispered take my hand and come with me you're work here is done.

I went away to a place where there's no tears, nor sorrow only laughter and smiles, there will always be a Tomorrow.

As I move amongst the clouds. I'll look down and smile upon you, while the angels sing a heavenly song.

I am not alone all who went before are here they awaited my return. I know you'll grieve and wish I was still here I am here in the memories you hold dear.

Remember how much I love you and know I took your love with me. I did not wish for you to cry, nor feel sad. My pain is gone and I am Free!

Soon you'll come to me until then God will be with you Just as He's with me.

Imagine if I was given one moment just a single slice of my past. I could hold it closer forever, and that moment would always last.

I'd put the moment in a safe, within my heart abode. I could open it when I wanted, and only I would know the code.

I could choose a time of laughing, a time of happiness and fun. I could choose a time that tried me, through everything I've done.

I sat and thought about what moment, would always make me smile, one that would always push me, to walk that extra mile.

If I'm feeling sad and low, if I'm struggling with what to do. I can go and open my huge safe, and watch my moment through.

There are moments I can think of, that would lift my spirits everytime. The moment when I use to come to grandma house and eat all of your tuna fish cans, Uncle Ronald you will always go and buy more, within a couple of days I would return back to the house to eat your tuna fish.

For me to only pick one moment, to cherish, save and keep, is proving really difficult, as I've gathered up my thoughts.

I've dug deep inside my heart, found the safe and looked inside, there was room for lots of moments, in fact hundreds if I tried.

I building my own huge library, embedded in my heart, for all the moments spent with you, before you had to part.

I can open it up whenever I like, pick a moment and watch it through, my huge library act as a promise.

I will truly miss you from the bottom of my heart. I LOVE YOU SO MUCH, UNCLE RONALD,

Your niece,

Anita
