“ *Daddy you will always be a light in my heart...I can't tell you how much I miss you each day that passes...the other day I reached for the phone to dial your cell to see how you were doing and realized that you would not be there to answer. I was sad and cried because you weren't here but I can smile because I know that you are at rest. I pray that I can walk in your foot steps and some how make you proud. I love you so much...all my love...*

“ *My condolences to the Grady family. I am saddened by your loss. As a former player for the Baltimore Ravens and current Director of Player Development I've had the pleasure of getting to know Ron over the last few years. He was a good man and always approached things in a very professional manner. He was solid and consistent in a very "fluid" environment and I'll miss that about Ron. I am blessed to know that he went home to be with the Lord. Blessings, Harry Swayne*
