“ *Hi dad I know that you are looking upon me with your smiling face and your guiding wings to embrace me. I want you to know that I'm so proud to be your daughter and that I'm so happy to have taken your personality as well as your looks. I will never forget the words you have given to go through this life's journey. If only you were here just for a little while to meet your son-in-law and your new granddaughter who will be embracing us with her presence in September, may you shine in the heaven and until we meet once again on a sweet day. I love you daddy, your daughter Veronica##imported-begin##Veronica Johnson##imported-end##*
