“ Dear Mayo Family,

Just a quick note to tell you how sad I felt when I heard of Ron's passing. He was such a wonderful gentleman and warrior! I truly pray that he is now experiencing the joys of heaven; no more earthly struggles or worries.

Ron always had a smile on his face and a twinkle in his eye. No matter how I was feeling, he always made my day better. He was a great advocate for our Veterans and was always asking me to order more wheelchairs for those in need.

Ron kept our staff on their toes and was always ready to tell a joke and get people to smile. He was a true servant leader and will be severely missed.

Thank you for sharing him with us!

“ Smiles! That's what I remember most about Ron. He smiled whenever I met him. Whether he was out and about collecting wheelchairs or answering questions at the Information Desk, I remember his smiles the most. I don't ever recall him complaining about anything, just lots of "Thank God" for many blessings. He was a great supporter of the Chaplain Service, and I will miss him dearly.

“My Daddy” is what we said when talking to each other, But you but you were “Ours” Our Daddy, Our Father! We’re going to miss you Daaa ! We will never forget the loooooong talks we would have 😞 that always felt like hours that we sometimes dreaded lol the jokes you used to share, how you always made us laugh, by saying things like my mamma had the frog cell phone service 😂😂 the principles you taught us, the “real life” lessons you taught us, how you always said “yea yea yea” lol and “did-u-hear-what-I-say” lol and how EVERY TIME we talked you would always say “Secoya has to be in VCU by now” knowing she was not even in high school yet lol and how you would always call us a day before our birthdays so you won’t forget or miss it lol I really can go on and on! But we know you, RaQuan, Omar and Uncle Melvin are watching over us ...So until we all meet again, We love you Daaaa! My Daddy!! 💕💕
