“ *I didnt know ronnie but my mother told me he was my father and hes on my birth certificate. Ive wanted to meet my father since i could remember and i recently got an ancestry account to find him or his relatives but since i found out that hes passed the chances of finding anyone is slim because know one knows who he is. If anyone knows anything i would like to know because it would mean everything to know who he was as a man. Im 18 years old, i go to hollins university in virginia but i live in baltimore maryland and my mother rosetta randall grew up in glen burnie maryland.*
