

Roosevelt Adams III

May 4, 1976 - September 20, 2020

ROOSEVELT ADAMS, III, born May 4, 1976 was better known to many as "Rudy". He was the first child born to Roosevelt Adams, Jr. and Cathy Diane Adams (Johnson). Rudy was the older brother to Jason Lamar Adams and Jewel April Adams. (Jewel preceded him in death). He also has a brother Lionel James Johnson.

Rudy was born in Portsmouth, New Hampshire and at the age of 2, the family moved to Baltimore, Maryland.

Roosevelt excelled in the Gifted and Talented Program at Cross Country Elementary School and Fallstaff Middle School. He played baseball for Northwood and Forest Park High School. After graduating from Forest Park High School, Rudy pursued a Bachelor's Degree in History at Coppin State College. As a result he became very knowledgeable of Black History and was well versed in the subject matter which led to interesting discussions.

Rudy had various mentoring jobs which included substitute teaching and one-on-one support staff in Baltimore City Public Schools. He was a strong advocate of helping the next generation through mentoring and other forms of support.

“ *To the Adams Family: We offer you our deepest condolences in your time of loss. Death is always an unwelcome visitor but is yet confirmation that Gods Word is true, That The Wages of Sin is Death. But we stand on His promises that The Gift from God is eternal life. We stand with your entire family for the days ahead knowing that God will sustain you. Please know we love you and will continue to lift you in pray.*

Respectfully

“ *Sending condolences to the family and praying that God comforts you during this time.*

I'm thankful to have met such an all around good brother...very intelligent, generous, funny and caring.

So many random nights of sharing laughs and wisdom...helping to record music...and talking about the ills of this world and possible solutions.

You will be missed...but I'm happy that your soul is at peace. See you later bro. 🤝

“ *I'm so upset to hear about Rudy. I will always remember him for being one of the realist people I've ever had the pleasure of calling my friend. We met during my college years and we had some really good times together. He always had such a unique perspective on things. Although we were quite different, he always accepted me for who I was. My condolences go out to his family as well as his current circle of friends.*
