“ I want to express my sorrow over the loss of your loved one. Losing a loved one is something we all wish we never had to go through. Thankfully, within his word the Bible, God promises us that soon "death will be no more". He also gives us the hope of seeing our loved ones who have already fallen asleep in death (Revelation 21:3-4, John 5:28,29). Again I am extending my sincere condolences to the family.

“ Hey mom, this momma's baby as you would say. I miss you so much Ma. I really can't believe this is life for me now that your gone. We just was making so many plans for the summer with the kids and family. Words can't explain the pain that I feel today. Tameera and I are sitting up now finishing up some of your final arrangements and is just seems surreal. You will be missed by many because my phone has turned into yours. Funny right?? It won't stop ringing. I just want to say I love you and miss you dearly. Say hello to all those family members we talked about on Monday. YOU said your going to look them up when you get there. I know there's no more suffering now but sometimes I just wish I could have you here with me. Tell Daddy I love him and we shall all meet again one day, and special day that will be. Continue to watch over us cause we can feel your presence around us.
