“ *I will miss Rosa. We didn't get to talk a lot, only when she was going or coming home from her treatments. She always asked about my grandchildren, told me I looked nice and said that my hair looked good. So I will miss her wonderful compliments and how much she cared about Warren. I know she's in a better place, and no dialysis.*

*I felt great sadness when I learned of Rosa's passing. I worked with her and always found her to be a charming lady. I remember her smile. It would light up the room. I pray that God will continue to watch over her family and His newest Angel will remain in our hearts..*

*I was sadden to hear of her passing. I worked with Ms Rosa and we would laugh on the phone or in person with her she was so funny. We would talked about our dogs, work and school. Because of her I never had wait to get my money back for tuition reimbursement and its never been the same since her. She will turly be missed.*

*I was devastated to hear of the passing of Rosa. She was truly a sweet lady with a heart of gold. We would spend hours talking about our sons and life, in general. Rosa always had a kind word no matter what was going on in her life. Our loss is heaven's gain. May she rest in peace.*

*I met Ms. Rosa from talking on the phone before I actually met her in person. She was just as lovely and pleasant in person as she was on the phone. I became fond of talking with her so I would call her just because and also to tell her that Warren was misbehaving when he come in our office. I am truly going to miss you Rosa. Warren you were really blessed to have to have Rosa as your mother. I know it will be tough not seeing her every day but have comfort in knowing that she is always with you and that our Heavenly Father is now taking care of her. I might not get to see or talk to you every day but I want you to know that I'm always just a phone call or e-mail away. Rest In Paradise Rosa!!!!*
