“ Good Afternoon Family and Friends,

*It is with an extremely sad heart I'd like to express my most sincere condolences to my cousins. I could not imagine what you feeling right now, but I want to assure you that God only take the best into his kingdom. His grace is sufficient and he will never leave or forsake you. Although we do not understand the whys or the why nots, trust in Lord with ALL of your heart and he will direct your path.*

*Aunt LaVerne was so good to me as a fragile skinny little tweety bird with an old soul, she coined me with the name "Granny" and that is who I was until God called her home. Our last conversation was her expressing to me how very proud she was of me becoming a Doctor. She said to me "Now you have the title go get the money." Well I'm working on that part ! I have so many fond memories of her and can still hear that infectious laugh. It saddens me to the bottom of my heart that she's not going to be here in the flesh, but I find comfort in knowing that you will always be in my heart and your spirit has been set free. I LOVE YOU and always will*
