“ *Grandma, everytime I would call or come to visit you the first thing that you would say was "Hmm...I thought you forgot you had a grandmother". Never! I know over the years I came around less. I guess I got my priorities mixed up! But you know my heart. I have many, many memories...I have had you all my life! From being a little girl sitting extra quiet around the house, to you and Pop Pop getting me off to preschool, to my high school and college years when you would send me and Kim to do your marketing and other shopping. Grandma, I don't know how I will get used to you not being here. Not being able to see or kiss your face. But I was blessed that I was able to grow into a woman in your eyes and that you were able to see my children born. Out of all the grandmothers in the world I am glad that God chose you for me! I will miss you ole' lady!*

*Love your FAVORITE(inside joke) granddaughter, Chanda*
