

## Rosetta Peters

September 3, 1936 - October 9, 2010

Rosetta Peters was born in Macon, Georgia on September 3, 1936. She is the daughter of Sarah Johnson and the late John W. Johnson. God called her home suddenly Saturday, October 9, 2010.

She moved to Baltimore at the age of 18 where she met and married Harold Peters Sr. From this union three children were born.

Rosetta was a devoted mother, grandmother and great grandmother to many. Affectionally known as "Mama" Rosetta touched the lives of everyone she came in contact with. She had an open door policy in the neighborhood and always was available to give encouraging words, lend an ear and a strong embrace. "Mama" was always straight forward and never hesitated to say what was on her mind. She loved drinking her coca cola sodas, watching the Ravens and wrestling all the while fussing at the TV.

After retiring from Meridian nursing home she devoted her time raising her great-grandson Chalar Walker and the rest of her grandchildren. She will always be known as the "OG" in the neighborhood. She will greatly be missed.

Rosetta leaves to mourn her mother Sarah Johnson, her husband Harold Peters Sr., two daughters, Sandra and Aloha Peters, one son Harold Peters Jr., one grandson Larry Walker(Pooh), five granddaughters Kierre Peters,

Tashema Peters, Shalonda Booker, Jasmine Carter and Mona Booker, 12 great grandchildren, two sisters Julianne Chambers and Karen Robinson, five brother-in-laws, one sister-in-law, two special friends Larry Walker and Edward Curtis, and a host of of niece, nephews, cousins and many friends.

Her favorite saying was “ I am what I am, take me just as I am”. Her favorite scripture was Psalm 23 which she used for her source of strength during trails and tribulations.

“ I , miss everything about my grandmother she was more than a grandmother to me she was like my "Bestfriend/Mother". I was here with her daily woke up with her came straight from school and came to my grandmother. After i thought about how much of a relief it was she was gone i was kind of happy including: No more pain , Hurting , Worrying , Suffering. The only disappointing thing i cant talk to her and get a instant reply back. I miss my grandmother a lot. Still cant believe she gone, The last thing im doing is praying on it and hopfully ill be with her soon i love u grandma with all my heart .She died in my arms on that saturday and iwas in a state of mind i didnt know what to do just to watch her die without me having a way to help her . Only hard thing im having is seeing her die like watching her face and seeing the whole image just so hard to get over a strong women to just be gone but i cant question god's work .  
[Finish statment: I love u grandma and i pray that your soul is here with me and you appear just once in a dream to let me know that your ok and fine up there and your sprit is happy and free from PAIN.]

“ *I loved her like my mother. She and I have known each other since I was 7 years old. Her and my mother were also friends. I loved her children like my own. My sincere condolences go to her family. It has only been five years and I to had to deal with awesome hurt. It is said that it will get better but it hurts now like it did the day it happened.. Love and my prayers. Theresa Logan Frisby*
