“ To the family, I know this is to share a great memory when I first met Miss Rose. We hit it off from the very beginning we had a Latin, we like laughing about people I will say talking about them, but we laughed about, but I want to send prayers to the entire thing asking God to give them the strength and to you to Bailey family. I'm here a phone call away away. Love you.

“ Mama Rose has been adopted in our family for years. We loved our cruises with Rosie, visiting with her at the house while G cut her grass, stopping by at her house to just visit with her. She always made me smile and she will be missed. Prayers for her, her family and her friends.
