“ *I wish to extend my deepest sympathy to the family of Ruby Beard. Death is a sad tragedy that can be hard to cope with. But God's inspired word the bible give us the comfort that we need to deal with such a loss. May your family find comfort in the words found at John 5:28,29 "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come and out, those who did good things to a resurrection of life those practice vile things to resurection judgement".##imported-begin##K. “ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ To the family, please except my most sincere sympathy on the death of your loved one. At such sad times in our lives, the scriptures can be a great source of comfort, because they not only tell us why we die, but it holds out the true hope for the dead, and also lets us know how we can be reunited with our loved ones who have passed away. Romans 5:12 tells us why we die, and Isaiah 25:8, and Rev21:3,4 tells us Jehovah's purpose to end death, and Acts 24:15, and John 5:28,29 tells us how God will bring the dead back to life. Please read these scriptures whenever you have a chance, because I'm sure they will bring you comfort just as they have comforted my family when we lost loved ones. May Jehovah God give you the comfort that you need, and the strength to go on.##imported-begin##R Johnson##imported-end##

“ Dear family and friends of Ruby. I am so sorry to hear about your lost of a loved one. Death is always such a hard thing to go through. At Revelation 21:3-5 it talks about a time when death, sickness, and pain will be no more then just things of the past. I am sure you as well as so many others can not wait for this time to come. All that Jehovah God promises does come true.##imported-begin##A.Jones##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
