“ *Hello 1 Jones's ! Time goes by fast, it has almost been a year since Ms. Ruth died. Living for 84 years is wonderful as the bible say at Ps.90:10, " Some person will live to be 70 years and others 80 because of special mightiness". Imagine the great joy to be had when the dead are resurrected, John 5 :28, back to life in the near future. I am looking forward to that happening. May the precious and cherish memories of Ms. Ruth stay close in the journey of life ahead.###imported-begin###Lillian Crosby###imported-end###*

“ Please accept my heartfelt condolences for your loss. Although death is a part of life at present, it is something we can never get used to. It's like an unreality knowing that we cannot talk to or see our loved one anymore. We all long to see an end to sickness and death. Job in the bible, also had the same desire. He asked at Job 14:14, "If an able-bodied man dies, can he live again? Verse 15 says, "You will call, and I myself shall answer you. "For the work of your hands, you will have a yearning. Yes, Almighty God, Jehovah yearns for the dead to live again. It was never his purpose for people to suffer the sting of death, so at 1st Cor.15:26 he promises; "As the last enemy, death will be brought to nothing. Many will be raised back to life by means of the resurrection. Acts 24:15. May you find comfort in your memories, and much strength from the promises of God.##imported-begin##R Johnson##imported-end##
