“ *I would like to express my condolences to Ms. Watford's family and friends. The loss of a dearly loved one can be very painful and difficult to bear that's why the Bible calls death an "enemy." But, please be assured that God promises to do away with that enemy and all the pain it causes, according to First Corinthians 15:26 and Revelation 21:4. Then, Daniel 12:2 states, "many of those asleep in the ground of dust will wake up." Yes, these are the promises of God, who cannot lie.-Titus 1:2. I hope you continue to find comfort in God's Word of Truth, the Bible.##imported-begin##Valerie Johnson##imported-end##*

“ I wish to send my deep sympathy to the family at this time. In the bible the faithful man JOB once asked the question, "If an able-bodied man dies, can he live again? Job answered at verse 15: "You will call and I myself shall answer you. "For the work of your hands you will have a yearning." NW translation. So Job's hope was in the ressurection. He knew that Jehovah would one day remember him and restore the life force back to him. Jesus ressurected so many people while he was on the earth, and he said, "I am the ressurection and the life. "Everyone exercising faith in me, even though he dies, will come to life. All authority has been given to Jesus by his father, and in the near future he will ressurect millions more back to life. Imagine the unspeakable joy of millions of families when they see their dead loved ones alive once again. May the ressurection hope be a burning flame in your hearts to help you to endure until that glorious day of salvation arrives.
