“ My beloved son Ryland (Ray) Harris there aren't enough words to describe the pain in my heart of losing another son and how much I'm going to miss you, but I'm going to cherish all the memories or the good times we had and as I take my trips back down memory land I will smile and rejoice because that part you will always be with me. I can rejoice in your home going because there's no more suffering and you're at peace so sleep on my son take your rest sing, dance, and shout around God's Trone and tell La'Jwan I miss him so much. love always Momma #2
