“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Hello Family & Friends, I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at Revelation 21:3,4 where Almighty God says that he is going to wipe the tears from our eyes and death will be no more neither will mourning nor crying nor pain be any more. The Bible also promises that we will be able to see our dead loved ones again by means of a resurrection. (John 5:28,29) It is my hope that you will be comforted by these scriptures.##imported-begin##Sophia Briscoe##imported-end##

“ To our family, because we know the Lord we know that to be absent from the Body is to present with the Lord. Aunt Sadie knew the Lord and because of this we are grateful. “ To the family members and friends of Aunt Sadie Prince. Even though I have never had the priviledge to meet such a great women of God My Fiance Rev. Brandi Foyles often spoke of how her Aunt Sadie would go into prayer in the midst of cooking, cleaning, or just walking along the streets of Baltimore. That lets me know that she had a direct connection with the Lord, She was said to have accepted the Lord as her personal Savior at a young age so she was well seasoned in her relationship with the Father. So to the family I say pass on the mantle and keep the torch burning, Scripture says you must work the work of him that sent you while its day for night comes no man, no women, boy or girl can work. So Family remember work out your own Souls Salvation so that in the great getting up morning we can say Fare Ye well Fare Ye Well. Mother Lucille Hall our prayer are with you and Aunt Lilly. “ To Aunt Lilly although we are family we want you to know that earth has no sorrow that Heaven can not heal. Scripture will show you how to heal after the weeping process is over... The Greatest thing about being a kings kid is knowing that Yes weeping endure for but a moment, But Joy comes in the morning process. Aunt Lilly when God said he would never leave you nor forsake you it is true, understand what ever he promised he is faithful in doing it. Family lets Look to the hills from whence commeth our help Aunt said had a relationship with the Lord... She knew how to get a prayer through, she knew how to rebuke satan and bind the hand of the enemy so lets Look and live lets look to Jesus Now and live its recorded in his word...
