“ *My father was always funny, upbeat and just a great person overall. I remember a lot of things he taught my brothers and I without even knowing he taught us. He will be forever with me guiding me through life challenges and I will miss him. I will miss his spirit, courage, and him telling me to always get the best electronics. More so, he was a very loving man who always shared love to all who knew him. I miss you daddy and will love you always and cherish the moments we had.*
