“ *Jehovah God knows the same pain and grief that your family is feeling when his son Jesus Christ died on a torture stake. In his word the Bible he tells us at John 5:28,29" do not marvel at this because the hour is coming in which all those in the memorial tombs will hear his (Jesus) voice and come out. Revelations 21:4 " and he will wipe out every tear from their eyes and death will be no more, neither morning nor outcry nor pain be anymore, the former things have passed away." Jehovah is promising his faithful ones to not only a ressurection of loved ones sleeping in death but that death itself will be completely done away with. What a wonderful day it will be for you to be able to see Samuel again! I encourage you to read these scriptures with our personal copy of God's word the Bible. My deepest sympathy goes out to your family.*

“ Dear Family,
I am so sorry that your beloved Samuel has fallen asleep in death. Death is a cruel enemy, and the loss of one so young is devastating. I pray that you will be comforted by the words of Job 14:15, "You will call, and I myself shall answer you. For the work of your hands you will have a yearning." Almighty God yearns to return our loved ones to us and He promises to do so at John 5:28,29. Until then, hold fast to your dear memories and the hope of being reunited with Samuel again soon.
