“ To the family of Samuel Burgess: I just want to express my sympathy to the family. I also want to share some encouragement. But the Bible assures us at 1 Corinthians 15:26 that death is to be brought to nothing. That same chapter, verses 21&22 speaks of a resurrection, so there is hope of seeing your loved one again, and that will happen in God's New World. As you read these scriptures from your Bible, I hope it will bring some comfort to you.##imported-begin##Ruth Thomas##imported-end##

“ Sorry about the loss of your loved one. The Bible informs us that death is an enemy and will be swallowed up done away with in the very near future :”He will actually swallow up death forever, and...will certainly wipe the tears from all the faces...We hope you find solace in these words.##imported-begin##sharon hill##imported-end##
