“*Death is truly a devastating thing to deal with. It's so hard to believe that our loved one is really gone. You have my heartfelt sympathy. One day this pain we are going through will be a thing of the past. Jehovah God never intended for us to die. He considers death an enemy. That is why at 1st Corinthians 15,26 the bible says, "As the last enemy, death will be brought to nothing. Then John 5,25 says, "The hour is coming, and it is now; when the dead will hear the voice of the son of God and those who have given heed will live. So many people will wake up from the sleep of death. One day, even the memory of sickness and death will be erased. For Isaiah 65,17 says, "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart. So please allow these wonderful promises to sustain you, and may your cherished memories of your loved one, which death certainly cannot erase, bring a bit of joy back into your hearts.##imported-begin##R Johnson##imported-end##*

“*To the family and friends, I offer my sincere sympathy. The loss of one we love causes much sorrow and grief for us all. But there is a remedy to this condition of death. It is the resurrection promised by "the Father of tender mercies and the God of all comfort who will comfort us in all our tribulation" "(2 Corinthians 1:3,4). Job 14:15,15 lets us know that God has a "yearning" an earnest longing and desire to resurrect the dead. May you find comfort from these promises in God's word the Bible as we await the fulfillment of this wonderful provision.##imported-begin##Gwen Winston##imported-end##*

“ *Losing a dear loved one breaks the circle of life. Illness, pain, effect all of us in one way or another. Samuel was surrounded with love and happiness as the picture shows on his face. Imagine the joy and happiness that will result when the dead are resurrected in the near future. Something to think about. Through life journey there will be many of our creator's promises to look forward to as the Bible says at Isa. 25:8, "Death will be swallowed up forever," Isa. 26:19, "Your dead ones will live and rise up". The comfort will keep coming to you all way from those that care and they are many. I hope these words proved to be uplifting to read and share.##imported-begin##Lillian Crosby##imported-end##*
