“ May Jehovah God and his son, Christ Jesus, comfort and strengthen you as you mourn the passing of your loved one. Many people wonder when their loved ones die, will they really see them again? Scientists and doctors have been baffled as to why we die in the first place, because our bodies are so wonderfully made. But it is not up to man to know the answers to the mystery of death. Only Jehovah God, the creator of the universe and everything in it hold the keys to life and death. Yet we have a wonderful hope of seeing our loved ones again. Psalm 68:20 says, "The true God for us is a God of saving acts; And to Jehovah, the Sovereign Lord, belong the ways out from death." NW Translation) Just as he gave us life, only he can restore the life-force back to us when we die. Will he do this? He certainly will. He sent us his most beloved son Jesus to bring us up out of this condition. Jesus promises at John 11:25. "I am the resurrection and the life. "He that exercises faith in me, even though he dies, will come to life. Jehovah has given this beloved Son all authority to resurrect the dead. John 5:25-29. May you find much comfort and strength in this wonderful promise.###imported-begin###R Johnson###imported-end###

“ Death is something we will never get use to. The Bible helps us to appreciate that in the near future 'all those in memorial tombs will come out.' (John 5:28,29) What a wonderful day that will be!###imported-begin###kari jackson###imported-end###
