

Sarah Fuller Sampson

December 5, 1920 - January 1, 2002

Sarah Louise Sampson, was born on December 5, 1920, in Morehead City, North Carolina. The youngest daughter of the late William and Allena Fuller. She departed this life on Tuesday, January 1, 2002 in Sinai Hospital in Baltimore, Maryland. She received her early education in the public schools of Morehead City, North Carolina and earned her Bachelor of Science Degree in Teacher Education from Fayetteville State Teachers College in Fayetteville, North Carolina. She was an excellent teacher in the Baltimore City Public Schools until her retirement in the late 80's. She was united in Holy Matrimony in 1948 to the late Roy G. Sampson. From this union, a son, Roy Sampson, Jr. was born. "Say-Say" as she was affectionately called by family members and friends loved the children that she taught in the school system and other children that she came in contact with in her life. Sister Sampson, united in the fellowship of the Concord Baptist Church on May 28, 1978. Her church family was the light of her life. She was very active in many church activities, serving as a deaconess, a member of the Senior Missionary Department, The Mass choir, and the Retirees. This valiant servant of the Lord, leaves to cherish her beautiful memory, a devoted and loving son, Roy Jr. and daughter-in-law Mozella Sampson; one brother, William Fuller of Morehead City, North Carolina; four grandchildren, Tasha Sampson-Thornton (Thomas), Roy Sampson III, Nathan Franklin Sr. and Shinatsia Sampson; two great-grandsons, Thomas Thornton III and Nathan Franklin Jr.; one great-granddaughter, Natoiya Franklin; three sisters-in-law, two brothers-in-law,

nieces, nephews and a host of other relatives and friends. Why do we mourn departed loved ones, Or shake at death's alarm? 'Tis but the voice that Jesus sends To call them to His arms. This is just another soldier gone To get the great reward. She fought the fight; she kept the faith, And now she has gone home to God. Lovingly submitted, The Family
