“ To Harry and Florine Wheeler Sometimes words just are not enough to take away our grief, so we rely on God for help and strength in our belief. May He uplift you greatly, take the sorrow that you bear, than comfort you with healing in the safety of His care... May God's love comfort you at this difficult time.##imported-begin##Brenda Royster & The Thornton Family##imported-end##

“ The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.###imported-begin###The March Family and Staff###imported-end##
