

Sean M. Lewis

October 22, 1970 - April 1, 2002

Sean Lewis, son of Edith Bernadette Garrett and Melvin Lewis and brother of the late Melvin Lewis, Jr., was born on October 22, 1970 in Baltimore, Maryland. He departed this life on April 1, 2002 after a lengthy illness. Sean received his education at Kennedy Krieger and St. Bernadine School. After completing the program at St. Benedictine, Sean attended the Medical Daycare at BARC. Sean was an extremely loving son and brother. His bear hugs, kisses, contagious smile and laughter were priceless. His intuitive wit and intelligence were revealed only to those who were able to see him as a warm person first, not just his disabilities. Having a relationship with Sean made you feel special. His presence brought sunshine to a cloudy day. Christmas was Sean's favorite time of the year; the music, the decorations and especially opening his gifts. He enjoyed watching his classic cartoon videotapes and his storybooks. Throughout his life, Sean has been surrounded with the love of his family and special friends. He leaves to mourn his mother, Bernadette Garrett; sisters, Renee and India; father, Melvin Lewis; brother-in-law, Eddie Brockington; two nieces, two nephews, aunts, uncles, grandmother; stepfather, David Garrett; a host of other relatives and friends. "For I am now ready to be offered and time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith.-II Timothy 4:6-7

July 02, 2010 at 02:21 PM

“ My heart goes out to Melvin and his family during this time of sorrow. The lost of a child is a very heartfelt sorrow. Remember that God is in control of all things. Your child is with the angels that will be looking out for the rest of the family. God bless and keep each one of you. We know not the day nor the hour when we will experience this type of sorrow, but if we keep our hands in the master's hands everything will be alright. God Bless Linda Johnson Co-worker of Melvin Lewis/ARL##imported-begin##Linda Johnson##imported-end##
