“ *Grandma Seedie, I love you so much and I'm so grateful that you are a major part of my life. I knew you for a short while, but it feels like forever. You made me feel like family. You took me in as your granddaughter, and that never changed. You put fight in my heart when everything in me wanted to give up. You shown me the true meaning of family, and brought me closer to my own grandmother. I promise to keep my promises to you. You are an angel and a beacon of light. I appreciated every moment that you shed light on my darkness, cheered me on, and gave me words of encouragement. I love you and I will miss you. I am sad that you are gone, but I'm delighted to have you as my guardian angel. You no longer need me to help you become tech savvy. You have fulfilled your duty here on Earth, and God has rewarded you with a place in heaven. Our heavenly angel. Much love, Shay*
