“ *Our heartfelt sympathy in the passing of our cousin Cee Cee, as we so affectionately called her. There are so many fond memories of her many visits to North Carolina and her being such a special cousin whom we held so dear to our hearts. There is so much joy in knowing that God's will has been done and he has picked one of his most beautiful flowers to take to his home and live with him forever more. She had such a beautiful smile, always a joke or two, and just enjoyed life. She was such a phenomenal woman . To my family, Take comfort in God's love during these difficult days. Please know that we are especially remembering each of you in our thoughts and prayers during your time of bereavement.*

“ *I was sadden to hear about the lost of our cousin known by us as CeCE. She will be missed but never forgotten. The family should remember the fond memories and times that they where able to spend with her. She is only sleeping now, and she has gone home to be with God. Be blessed and just know that this to shall pass.*
