“ *It broke my heart to lose you. But you did not go alone. For part of us went with you the day God called you home. You leave us here on earth to treasure your love and your memory. But God has you in his keeping and we will always have you in our hearts. You left us with years of happiness, laughter and joy that will last forever more. You gave us many things in life, Gifts both great and small, But most of all you gave us love, The greatest gift of all. Always Loved & Remembered* 🧡🤔🧡🤔

“ I'm so heart 💔 broken to hear about the passing of my high school classmate 🕯️ Shakira Mayo 🙏 aka Muddy. She was a light in this world, and now we need to continue shining her light by carrying it within us in our own lives. My prayers 🙏 goes out to her kids, family and friends.

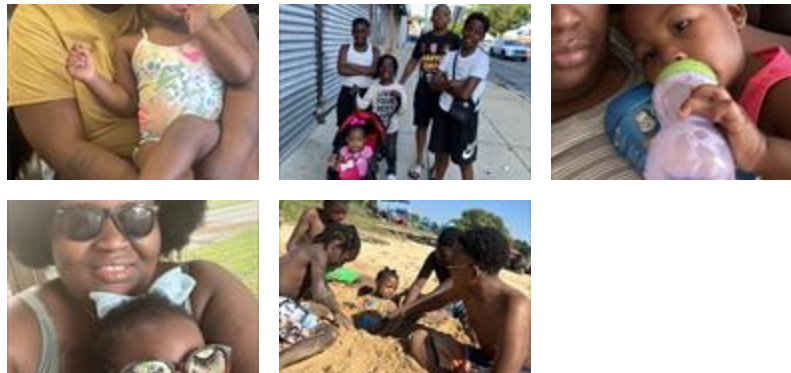

I will always cherish the good memories we had in high school (2001-2005) being the last graduating class of Northern High School #402 Class of 2005.
