

Shannon Elizabeth Henley

September 5, 1986 - July 5, 2009

On September 5, 1986 Shannon was the last child to be born to proud parents Sandra and Evans Henley in Richmond, Virginia at Richmond Memorial Hospital. Joining her two brothers Ray Boone and Evans Henley; Shannon fit right in. Shannon accepted Christ at an early age where she continued until death at First Calvary Baptist Church, Glen Allen, Virginia. Shannon attended Overby Sheppard Elementary School and graduated with honors from Armstrong High School. Shannon later met the love of her life William Blackwell. Shannon went on to attend Virginia State University where she worked diligently to earn her bachelor's degree in Criminal Justice. Shannon had a sparkling personality. She was full of life and could always bring humor to any situation. Her ultimate joy was caring for her daughter Kaylyn. Shannon herself was indeed a Daddy's girl and had a loving and unique relationship with her mother. Shannon was a devoted mother, daughter, sister, granddaughter, niece, cousin, and friend. Shannon's family and home was always first in her heart. We will miss her smile, her laugh, and her friendship. Shannon was our angel placed here on earth to do remarkable things, endure lasting friendships, and bring humor and warmth when we were faced with life's trying times. Shannon entered into peace on July 5, 2009. Shannon leaves to cherish her memory her loving daughter Kaylyn Denise Blackwell, loving parents; Sandra and Evans Henley; two brothers, Ray Boone and Evans Henley, Jr. (Erika); one nephew, Evan Henley II; grandparents, Rev. William and Elizabeth Green and Walter and Nova Henley; six uncles, Donald Boone

(Carolyn), Anthony Boone, George Boone (Denise), Antonio Green, Yves Henley and Enyl Henley (Iola); six aunts, Arnethia Bray (Leon), Amanda Brown (Carol), Tameka Green, Yatovia Henley, Tina Anderson; and one very devoted Deborah Alomari (Omar); two devoted friends, William Blackwell and Angelo Pimienta; devoted cousins, Shantell, Shanikka, Madonna, Javone and a host of other relatives and friends

“ To the Family of Shannon E. Henley, I must say that my heart is saddened at this tragedy ending to her life; however I do believe in the power of healing and I do believe that there is life after death and even though Shannon has left this earthly home, she will be going on to live with the Lord on high. I loved Shannon dearly and enjoyed the 2 years that we were classmates at VSU. She became a close friend to me during this time and I will miss her dearly. I loved Shannon and I love you all also. May God bless you and heaven continue to smile upon you.##imported-begin##Lillie M. Jones##imported-end##

“ To the family and friends of Shannon Henley...I do not really know what to say...I am shocked..I am hurt...I am in disbelief. I wanted to give my deepest condolences to the family. Your family is in my prayers in the days and months ahead. To Shantell...you have always been my little sister that I have always wanted. Me and you have went thru a lot over the years and you were one of the few people that was there to support me in the death of my father. You always brought a smile to my face and a laugh to my heart. Please know that if you need me for anything...I am a phone call away. It is not going to be easy but please know that she will forever live through every life that she touched. To William: you are my little brother...you are a dear friend...you have helped me with advice to handle life..I just want you to know that she knows that you love her just as much as she loves you. Look at your daughter and forever remember the love that you guys have for one another and that is something that can not be erased. Please know that I am there if you need me...I love you both so much. To Puff...Ms.Deborah...Mr. Henley..and Ms. Kat...I will continue to keep you in my thoughts in the moments to come. God never gives us more than we can bear..##imported-begin##Tamara Hayden##imported-end##
