“ *To my dear friend, I'm so thankful to have been able to experience a beautiful soul such as yours. I will never for get you. You were truly more than just my neighbor but a real childhood friend. I got the chance to experience you my entire 12 years of school where in the last 2 years we built a sisterhood with a the other beautiful ladies in our tech class (cosmetology). This hurts really bad to even have to write this. I will continue to pray for our friends and your family. Until we meet again my beautiful friend. -Jazmin Richardson*
