To the family of Sharon M Jones:

I want to send my deepest sympathy at this time of grief. I want these words of encouragement to be uplifting and render you an abundance of peace, comfort and hope. Hope in the promise that Jehovah God said in Rev 21:4 that death will be no more and the things that causes pain, suffering and sorrow will be no more. The bible says death is our enemy 1Cor 15:26 and it will be put to nothing. When we lose a love one to death it affects most of us very deeply this is because no one truly wants to give up their life for any reason, or see a life taken; that is why we all do what we can to sustain life daily. Well that is the desire of All Mighty God and that is the reason He loved the world so much that He gave His only begotten son Jesus Christ a ransom for us. This loving gift will make it possible in our time to see Jesus put to use the powers and authority Jehovah gave him to resurrect the dead John 5:28-29, to rid life of sickness (Is. 33:24) and death; and because of this Sharon too will benefit in this blessing. She is safely in God's memory till that appointed time. How blessed we all are to have a God who truly cares about us. May the God of comfort be with you.
