

## Sharon Kennedy

September 23, 1959 - August 30, 2025

SHARON LOUISE KENNEDY, daughter of Louise and the late Timothy Williams Sr., was born on September 23, 1959 in Avon Park, Florida. God gently closed her eyes at Gilchrist Hospice Care on August 30, 2025 releasing her from all earthly pain.

To so many, she was Sharon. To her family and friends, she was lovingly called Poochie. She grew up in Northwest Baltimore, where her smile could light up a whole block. After graduating from Northwestern Senior High, she began her career in medical billing and coding before transitioning to work as a home health care aide.

No matter what she was doing, her passion and dedication was shone through. She poured herself into everything with love and strength.

She was devoted to her family, always the one we could run to for comfort, advice, or just to hear her voice. She loved to sing—whether in church or at home—her songs carried both her faith and her joy. She accepted Christ as her Lord and Savior and joined the Rock of Revelation Church, her voice became part of something bigger, and she remained a faithful member until the end.

Her presence was magnetic; she was strong, beautiful, passionate, and full of

grace. She showed us what it meant to love deeply, to forgive, and to keep moving forward no matter what life put in our path.

She leaves to mourn her passing: her mother, Louise Williams; her daughter, Jarrae Taylor; six grandchildren, Danyelle (Calek) Brown, Damon Crank Jr., Gabrielle Crank, Antwon Bumbray, Jabria Harris, and Jasmin Harris and three great-grandchildren, Kaelynn McCoy, Legend Crank, and Calek Brown Jr.; two brothers, Timothy (Thelma) Myers and Timothy (Cynthia) Williams Jr.; five sisters, Loretta (Kevin) Wilson, Gwendolyn Walker, Cynthia Williams, Cathy (Aundrey) Lemon, and Toni (Phillip) Owens; and a host of aunts, uncles, cousins, nieces, nephews, church family, and friends.

The flowers we lay upon your grave may wither and decay; But the love we have for you will never fade away.

# Previous Events
