“ *To the family of Sharon,  
Please accept my deepest condolences. I met Sharon at work thru  
my daughter Porsche and I must say she was such a pleasure to  
talk to and was always smiling. My most memorable moment is  
when she tried to teach my daughter how to catch the bus and of  
course she got off at the wrong stop.  
My prayer is for your families continued strength thru this journey.  
May God continue to hold an comfort you.
