“ I know Ms. Sharon from the post office. She was one of those people you knew when she was there and you knew when she wasn't. I had the opportunity to be her supervisor in tour 1. One of the best people to have working for you. Whether I needed, whenever I needed it, if I could go to no one else I could go to her. She taught me a lot throughout the years and she will truly be missed. I pray for strength and healing for her family. From the impact she made on my life, I can only imagine the impact she is leaving to her loved ones. RIP Ms. Sharon
