

## Sharon B. Sloan

February 5, 1964 - February 8, 2016

Sharon Bean Sloan, 52, mother, sister, daughter, aunt, and friend left this world on February 9, 2016 to be with the Lord. She leaves behind her two beautiful daughters Michelle Nicole Biddle, JaNeir LaTonya Biddle and 5 grandchildren Deontye I. Price, LaTonya S. Biddle, Tandre D. Chew, Jr. Kymari J. Deminds, Zoe E. D. Harris. She loved to have fun and was very outspoken, Sharon was the aunt that loved to party and the sister that always got you in trouble, the daughter that tested every boundary and the mother who very rarely kept secrets. She would never let anyone tell her no. "Sister Souljah" She was very creative and spontaneous. You never knew what she had her hand in from decorating making jewelry to doing hair and so much more. Sharon never gave you the fake birds and bees story, if you needed honesty this is who you went to. She was always available to help others despite any obstacle. In her last days she was surrounded by her family. Her oldest Michelle who oversaw her medical and most daily affairs then her sister Vanessa who provided a safe haven to call home. She was never alone. All the grandchildren and grandnieces and nephews called her grandma. She was truly passionate about the children and making sure they were taken care of. She wanted to go with peace of mind knowing her two daughters would stay together and her grand babies would be safe. Peace is now what she has and in the last days of her suffering she was surrounded by those whom she loved close friends and FAMILY!
