

Mrs. Sharon Doreen Talley

February 7, 1957 - February 26, 2025

Sharon Doreen Talley was born on February 7, 1957 in Baltimore, Maryland to the late Ruth Jackson and James Gaskins. She departed this life on February 26, 2025 after a brief illness.

Sharon was educated by Baltimore City Public Schools. She graduated from Edmondson High School in 1975 and also attended Baltimore City Community College. She was a certified phlebotomist and worked at various medical facilities including University of Maryland Medical Center. She also worked at the Social Security Administration from which she retired after over 25 years of service.

She married Larry Talley on August 24, 1995. Out of this union was born one child, Kendra. Sharon would light up a room whenever she entered. She was a beautiful person, both inside and out, full of grace and style. She was especially known for her many different hair colors and styles, which she loved to change up. With Sharon, you never knew what color you would get, from one month to the next. She was smart, kind, generous and always fun to be around. She made friends wherever she went. She loved to laugh and make others laugh. She was well known for her generosity. She was always there to lend a helping hand whenever someone needed help. She loved spending time with her friends and family and truly loved people. She was the ultimate definition of a "people person". She enjoyed watching football games and old

movies. Sharon was also a devoted mother, grandmother, sister and friend. Her granddaughter, whom she lovingly called Kakes, was her pride and joy. Despite various medical challenges, she was fiercely independent. She always remained steadfast in her faith and never gave up. She was truly a fighter and one of the bravest and strongest people you would ever have the pleasure of meeting. It was such a blessing to have had her in our lives. She's left a void that cannot be filled.

She leaves to cherish her memory: her daughter, Kendra and son-in-law, Joseph; granddaughter, Kayla; sister, two brothers, Marvin and Michael; and a host of nieces, nephews, cousins and other relatives and friends. She was preceded in death by two brothers, James (Junie) and Gregory (Greg).

“ Sharon will truly be missed in my heart. I will remember all the good times we had on Saratoga St. There was never a dull moment with you, you kept me cracking up. I will miss you sending me the devotionals. I am glad that I got to make you that pound cake you wanted. I still can't get over the news and just kept saying no. I know God had a reason for calling you home now. You are in a better place. Love you Sharon and all ways will.

PS

On behalf of the family, we are truly grateful for the outpouring of love shown to my sister. She was a truly remarkable person and she will be forever missed. To set the record straight: She loved going out to eat with her friends and family, not because she couldn't cook, but because she enjoyed being around people. As a matter of fact, she was a great cook, known for her potato salad, fresh cooked string beans, and the most tender roast beef ever. And don't get me started on her 7Up cakes! She also loved going to church on Sunday mornings, even when she had to push herself to attend because she would be so tired sometimes from all of her treatments and therapies. Sharon, we all love you, miss you, and God willing, look forward to the day we see you again.

Love always, Pat
