To know Shawn was to love him. He had the most affectionate smile that would light up a room. At an early age Shawn found the love for football. He loved hanging with his friends in BT representing that DoBall name. Despite the course of his life, he loved, protected and cherished his FAMILY!

When I'm Gone

When I come to the end of my journey And I travel my last weary mile

Just forget if you can, that I ever frowned And remember only the smile
Forget unkind words I have spoken Remember some good I have done
Forget that I ever had heartache And remember I've had loads of fun

Forget that I've stumbled and blundered And sometimes fell by the way
Remember I have fought some hard battles And won, ere the close of the day

Then forget to grieve for my going I would not have you sad for a day
But in summer just gather some flowers And remember the place where I lay
And come in the shade of evening When the sun paints the sky in the west
Stand for a few moments beside me And remember only my best
