“ My deepest condolences to the family and friends of Shawne. I worked with Shawne at Nordstrom in Loss Prevention. We had a ball. It never felt like work when we were together. Shawne was a truth teller and someone who I always respected as an amazing dedicated mother and friend. She helped guide me into motherhood and was the very first person I told when I found out I was going to be a mother and my first visitor when I gave birth. I appreciated that season of friendship and will always cherish those memories. Praying for comfort over you all and especially to her beautiful daughter. Rest well Shawnezee
