“ *My condolences to the family. It was a pleasure to work with Sheila so many years with the State of Maryland. She was very efficient, pleasant to work with, always made sure everything was okay before she processed an order. If it wasn't right it was corrected. We had a great working relationship. We didn't have a problem sharing the word of God. She has made a great impact in this world. Her smile surely came through on the phone. She will be greatly missed.*

“ Sheila your smile is what I will remember even in laughter you had that smile and a quote demeanor but what some didn't know was that you studied at Baltimore School of the Bible. You knew GOD'S Word and always tried to live it. You and Dee witnessing in the surrounding immunity with Rev Streeter and loving every minute of it. Didn't matter what they looked like or who they were if you didn't witness to them first Dee was right there to pick up the slack. I love the way GOD did this he took two close friends. You will be missed but when we have finished our course our Heavenly Father calls us home.

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget*”

Sheila and I always had this thing we did when emailing each other at work! Whenever one of our sentences deserved an exclamation point, she would always use three of them! I asked her if there was a particular reason behind it and this was her response.

"I always put three exclamation points: one for the Father, one for the Son and one for the Holy Spirit"!!!

It deeply touched my heart and from that day on we always used three!

She will always hold a special place in my heart!

*Love,
Michelle
