

Shelba Stanford

April 5, 1956 - December 19, 2016

Shelba Virginia Stanford was born on April 5, 1956 in Talbot County, Maryland to the late Addison Harry and Daisy Virginia Stanford. Shelba was called home to be with the Lord on December 19, 2016. Shelba was survived by her brothers and sister, Harry Stanford, Sheila Stanford, Richard Warren Stanford and Gary Stanford. Out of her marriage union with George Henry Shell, Jr was born Shajuane Shell.

Shelba received her education in the Baltimore City Public School system. She loved the retail industry and worked for Ross Dress For Less where she was the assistant manager for many years.

Shelba joined PAYCHEX INC where she worked as the Branch Administrative Assistant. She was a dedicated employee with over 20 years of employment. She enjoyed spreading God's word with her co-workers and clients.

Shelba had a vivacious spirit. Her smile and laughter would light up a room. She was this little person with this big personality and loud voice. You definitely knew when Shelba was in the room. She was always known for her unique style of fashion and those long colorful nails.

Shelba loved life, her family and friends. She was always willing to help others with encouraging words, big smile and a warm hug. Most of all she loved the

Lord and had an unshakeable faith. This was evident in how she handled adversities throughout her life. She used adversity to grow closer to the Lord, share Christ and her testimony with those she encountered.

Shelba joined New Psalmist Baptist Church on April 1, 1996. She participated in the Discipleship class and Cancer ministry. She loved her church family and was affectionately known as the Candy Lady.

She leaves to cherish her memory, her daughter Shajuane Alkea Holmes, Son-in-law Eric Holmes, Sr, Brothers Richard Warren Stanford and Gary L. Stanford, Sister-in-law Karen Stanford, grandchildren MyShawne, Jada, Jazmine, Princess, Lyric, Eric Jr and her little angel Ari Pari, nephews, nieces, cousins and a host of family and friends.

There were several special Prayer Warriors, Rev. James Green, Roosevelt and Debbie Harris, Deacon Joe and Deaconess Denise McCray, Minister Mary Thomas and Minister Carolyn Smith and all the Discipleship sisters and Cancer Ministry members. As Shelba would always say, "I have cancer, I am not cancer."

“ *Shelba was the greeter and more for me at Paychex. She also loved my son and made sure there was always a lollipop on my payroll pick up for him and a wonderful verse or quote stuck on the front of it. She will be missed. She was missed the past year at the office not having that bold laugh being heard from such a little person. May she be enjoying her time above with her mom who she so very much loved. She loved her family but know how much after her mom passed how much she also missed her. Prayers to you Miss Shelba. I know you are keeping it quite exciting up in heaven. “ *I had the absolute honor of working with Sheba when I was with Paychex. She was a real "spitfire". She cared so much about people and always said-----don't worry about me, I am fine. I will miss the annual Birthday serenade. She would call and sing Happy Birthday to me even after I left Paychex. How many companies do you know today where clients would call just to speak with Shelba who was the worlds best receptionist. Clients would come in person just to pick up their payroll so they could see Shelba and get their daily piece of wisdom that she had to offer. I used to think that sometimes she understood the business and the client's needs better than some of the upper management. I used to love hearing her talk about her daughter and how proud she was of her. She loved her family and treated all of her Paychex people like family and she was not afraid to put us in our place when it was needed. I will always remember her and have a smile on my face every time I think of her.*

There will be a void for sure without this wonderful woman on the face of the earth. I hope she continues to share her wisdom in heaven. I know that she will be missed here on earth but anyone that knew her will always have those "Shelba" memories and they will never be taken away.

Rest in Peace beautiful lady !!!!!

“ *There are times in your life when you cross paths with someone and you know they are different....more special than most anyone else that has. That was Ms. Shelba. I had the pleasure of working with her and getting to know her for 6+ years. I know of no one else that loved life, and embraced it, good or bad more than her. If I somehow have 1/10 the spirit for life as she did I will be doing very good. My life was made better by having her cross paths with mine, and I will always remember and think of her fondly, especially that smile and that laugh. Rest easy my dear friend.- Jason Martin*

“ *I met Shelba about 2 months ago while she was getting her treatment. I have never met anyone who was so positive and cheerful. You shared your testimony with me and others and I will always remember your Faith. I was looking forward to seeing you and sharing fresh fire at your church. But, God had other plans. Fly high my friend and take your rest. Judy*

“ I am so sorry for your loss. Cherish the fond memories of your dear loved one. Have faith in the Kingdom Jesus taught his early followers to pray for at Matthew 6:9. This Kingdom will do away with our enemy, death, once and for all. Then we can look forward to another important action, the resurrection of millions of dead loved ones who have the prospect of growing to perfection under God's Messianic King. What great family reunions lay ahead. Until then let us run this race for life with endurance.

“ With my deepest condolences to the family of Shelba Stanford. There is a hope for Shelba in God's Word. He says that all those in the memorial tombs will hear His voice and come out (John5:28,29). This is a promise from God and He cannot lie (Titus1:2) May this bring you comfort.

Shelba, such a hero. If I ever needed to know how to fight, Shelba is it. She fought the good fight. She won the battle but sometimes you just get tired of winning. She was ready to be with our God, our Heavenly Father. There are just no better hands to be in. She knew that well. You will live forever in my heart. We have our beautiful children and grandchildren together which made our bond that much stronger. Rest in peace. Love you always and forever.

“ *I had the pleasure of first meeting Shelba when she worked at Paychex. She had a beautiful smile and was always happy with a warm greeting. Unfortunately, I had not been by her office for quite some time and just learned of her passing today. I was very sad to learn of it. I can still hear her laugh and quips about the Ravens.*

God Bless You Shelba. You were the best !

We wish to extend our condolences to the family. We understand that death can bring much pain and sadness. But may the God of all comfort and tender mercies, comfort the family during these difficult times. (2 Corinthian:1:3,4).

“ *Miss. Shelba fondly known as My Lil Lady and me as her Diva. We had a bond that couldn't be broken. I have so many wonderful memories shared between us and she one of the few that could get me together without even speaking. She was quite the fire cracker. Small in stature but a giant everywhere else. Yes indeed she was fiesty and to know her was to love her and I TRULY LOVED HER. Although my heart is heavy and I will miss you so much I know you fought quite a battle therefore it is well with my soul because God makes NO mistakes and I know you are in NO more pain yet chilling with the Almighty! We did make fighting cancer look easy but I know it is rough, you were tired and it was time. Rest Easy My Lil Lady Until We Meet Again Know That I WILL ALWAYS LOVE YOU!!!*

“ I am very sorry that death has robbed your family of someone you loved. In the Bible there are many scriptures that provide comfort. Our heavenly father knows your distress. Jehovah our GOD is referred to as the “The Father of tender mercies and the GOD of all comfort.” Please read 2 Cor 1:3-4, Psalms 34:18 and Isaiah 65:2 for words of comfort at

“ *I was called by Paychex to let me know that Shelba had passed away. I cannot tell you how honored I was to work with her while she was out on disability and had the strength to return to work when she was first diagnosed...*

She was a very gentle sole who did not stop working hard even though life had tried to slow her down. We had many conversations that touched my spirit. My heart is saddened by her passing and my prayers go out to you at this time of sorrow. God bless!
