Sheldon was a beautiful person . He was so kind hearted and friendly to everyone. I remember when our friend John passed we were on thee for hours talking about the good times we had together. We laughed and cried together. Well my friend, I feel like a part of me is gone. You were like a brother to me. we always talked on the phone or by text. Im sorry i never got a chnace to meet your family. But Family Sheldon talked highly and nothing but good things about all of you. Sheldon, farewell my friend until we meet again. This is avery hard pill to swallow. You will be missed but never forgotten.

“ I am still numb ever since the day I found out. This can't be true. We just were hanging out at the Janet Jackson concert in New York a few months ago. Life can be a mystery sometimes but you always have to cherish every day that you are given and the TRUE friends that you have. Sheldon was a TRUE friend to me and I will forever miss him.

I will never forget how we did not have to say one word or made any verbal comment about any situation, but they look in his or my eyes told the complete story.

I am glad I got the pleasure of meeting his family in the past few years as I will keep them in my prayers.

“ Over thirty years of friendship...every emotion you can think of has been covered during that time; laughter, anger, joy, pain. But the one that I will always remember more than the others is the laughter. No one will ever be able to replace your humor; it was yours and yours alone. I pray that you are at peace- no more pain. May God please bless Ms. Paulette and your family during this time.

Tell Michael I said hello!

Your friend forever, Corey
