“ The Bridges, send our heart felt condolences to James (Truck) and the family. We have shared some very good times back in the day with my sister Barbara and her husband. Shelia really loved gardening, she shared with me a lot about plants. She will truly, truly be missed.

“ Shelia was my aunt. Growing up I just wanted to be at her house always. She was funny and welcoming. She was the COOL aunt. If we were going to her house that was a good day growing up. Her 3 girls (RIP Shelly) and I were inseparable. She will be always remembered. I remember wanting to be the wife and mother just like my Aunt Shelia. She will be missed but she has left a hefty legacy amongst us all. Save me a seat up there. We will look out for "HONEY" and keep your traditions alive. (I'm up to 10 Christmas trees!!! IYKYK).

“ *Shelia was my sister in law but more than that she was my friend! We shared the love of gardening and our happy place was digging in the dirt and watching our gardens bloom! I will love her forever and miss her terribly but will see her in the beauty of the blooms. Fly high my sister. You will be missed*💔💔💔💔

Sheila was my best friend while working together at PM USA. She was a pleasant kind hearted person and would still "talk smack" after a 12 hour shift. Her family and those girls were " first" in her life until those " awesome grandsons" came. So rest in peace my friend. May the wonderful memories of my dear friend sustain you!
