

Sheon Jeanniece Rose

August 1, 1976 - August 12, 2011

Our beloved, Sheon Jeanniece Rose, 35, was born in Suffolk, Virginia on August 1, 1976, to Gladys Winslow and Samuel R. Mills, Jr.

She was a "military brat," who lived in Fort Campbell, Kentucky and Takoma, Washington, but spent most of her youth in Germany. As an adult, Sheon made her home in Midlothian, Virginia.

Sheon graduated from General H.H. Arnold High School in Wiesbaden, Germany, in 1994, and received her Bachelor of Science degree from Hampton University in 1998. She continued her education, and in 2001, earned a Juris Doctorate from William and Mary School of Law. She was an Investigation Supervisor with the Department of Professional and Occupational Regulation.

Sheon's life would seem too short to many, but those who were touched by her understood that the quality of existence far exceeds the quality of time in which one lives. Her dedication to her children, family, and friends was apparent in her words and actions. To know Sheon was to have an avid supporter, personal counselor, and dedicated friend for life. She had a beautiful smile, an infectious laugh, and a voice that was truly a gift from God.

Sheon passed unexpectedly on Friday, August 12, 2011, and leaves to cherish

her loving memories:her parents,Samuel and Gladys Mills of Elkridge,MD;husband,Bradley A. Rose,Jr.;daughter,Alanah J. (12),son,Jaellen R.(7);two sisters,Chmaika P. Mills of Laurel,MD and Felicia R. “ *To the family of Sheon Rose:*

I would like to extend my deepest sympathy to your family during this painful time because I too have experience the loss of a loved one and I know that there's no feeling like it. I just wanted to offer words of encouragement and let you know of a very endearing promise and as one of Jehovah's Witnesses I put full complete trust in Jehovah and all that he promises. You should know that life which is a gift from God did not purpose for our lives to be cut short for any reason no matter how young or old sick or not and that is why he made a provision by means of Jesus that we may have life again. (John 5:28-29). Yes it is extremely encouraging to know that in due time Jehovah God has promised by means of his son, Jesus Christ that the dead will awaken (Dan 12:2)and death will be no more, no more suffering and pain according to Rev 21:4, not to mention no one ever having to say that they are sick.(Is 33:24). So take to heart and be encouraged to know that your loved one still remains in God's memory and she too will benefit from that loving promised blessing of living again here on earth. May Jehovah God embrace you all in His love. In order to learn more of these promises I also encourage you to contact Jehovah's Witnesses in your local area.

“ My deepest sympathy goes out to all the family and friends of sheon i have not had the priviledge of meeting her personally but i can absolutely sympathize with you in your time of loss. I found much comfort in Gods word the Bible at John 5:28,29 where Jesus says "Do not marvel at thus (death) because the hour is coming when all those in the memorial tombs will hear his (Jesus) voice and come out ". I also appreciated Acts 24:15 which says "there's going to be a resurrection of both the righteous and the unrighteous" Jehovah God also promises us at Revelation 21:4 that he will wipe out every tear from our eyes and DEATH will be no more neither will mourning nor outcry nor pain be anymore for the former things will have passed away! Lastly i would like to leave you all with one more very encouraging scripture found at psalms 37:29 the righteous themselves will inherit the earth and they will reside forever upon it! Please read these scriptures in your copy of the bible and find comfort in them and if you have any questions and want to know just what Jehovah God requires from us all individually so we can be inline for these and many other marvelous blessings feel free to contact myself James or any other one of Jehovahs Witnesses who will be more that happy to assit you in finding the answers to your very important questions. again my deepest heartfelt sympathy goes out to you all J. “ *Sheon left an imprint at our workplace that can never be forgotten, not even in her passing. She always had a reassuring smile whenever I saw her, even if the circumstances didn't warrant one. I knew Sheon as a leader, a teacher, a mentor. Simply put, Sheon was a phenomonal and fearless young lady who didn't waver but stood firmly on her own two feet. Even though I grieve for her loss, I am blessed to have known her.*

My thoughts are with the family as you endure this loss. We can gain much comfort from the scriptures as they tell us what is the condition of the dead and gives us hope for them. May the grief process pass quickly and you remember Sheon for the person she was. ECC. 9:5.

Gladys and Sammy, I am truly saddened by the loss of your beautiful Sheon. I can remember the first time I saw that precious baby, and all the times Glenda spent spoiling her and Sharonda. Please know that you are in my thoughts and prayers. Although we will miss her physical presence, she is now in the presence of our Lord and Savior Jesus Christ, and is safe in His arms. May He comfort you and give you peace at this most difficult time.
