Weep Not For Me

Weep not for me though I have gone into that gentle night
Grieve if you will, but not for long upon my soul's sweet flight
I am at peace, my soul's at rest there is no need for tears
For with your love I was so blessed for all those many years
There is no pain, I suffer not the fear is now all gone
Put now these things out of your thoughts
In your memory, I live on
Remember not my fight for breath remember not the strife
Please do not dwell upon my death but celebrate my life

“ *Words can only touch the surface of the woman named Shirley I knew, No matter how mad or upset she may have gotten her loving heart made her always do. Do for people who may not have always been her true friend, do for family members who she saw every now and then, do for a stranger if they needed a plate to eat,I once saw her give shoes to someone to cover thier feet. She never stopped giving love whether it came back or not , she was my special friend who will forever in my heart be top notch*
