“ *It's wild how someone can impact you so heavily, even in the afterlife. I met Sierra at T-Mobile and we instantly became great friends. We were always talking about music and planning to change the world with our words. I started to look up to Sierra as a big sister and a really close friend. I can't bring myself to delete her number. I want to call her some days and hope she picks up. I know the family must feel it even harder to have lost someone who has the power to light up a room with her presence.*

“ G-Ma, Kintae and Kamar,
There are absolutely no words to express how sorry I am for the loss of your precious daughter, loving sister and beautiful mother. It's said that earth has no sorrow that Heaven cannot heal and it's going to take Heaven to heal this sorrow, as we are never prepared for a journey such as this. However, as you take this journey, hold on to all of the precious memories of Sierra and the love that you've shared through the years. You are forever in my prayers and I'm only a phone call away when you need me. My love to you all, Amanda

“ *To the Family of Sierra, I'm so sorry to hear of the death of your loved one. Jesus talked about death in John 11:11-14. Jesus also told us about a Resurrection of those who die. John5:28,29. What a wonderful hope ! I know until that Great Day you have pain, but you don't have to go through it alone . Jehovah wants to help you through this difficult time. 1 Peter 5:7. With warm Christian Regards*

“ When it’s someone you love so dearly you can never prepare yourself when that person leaves, however you can take comfort in knowing that Sierra is resting in the arms of our Lord. Just looking at her picture with that beautiful smile of hers, let’s me know that God has gained another angel amongst his midst. It’s been a while since I have seen Sierra, but that smile; that beautiful smile is something that I will never forget, cherish forever. Sierra will always be present in the hearts of so many people by sharing the beautiful memories everyone has of her. Rest in paradise beautiful

“ I don't know how 3-NS is going to survive without you Sierra! (Our family inside joke). I'm going to miss that beautiful smile of yours. I'm so heartbroken...in fact, we all are!! Yet, it seems you were hurting far more than any of us at this point. I simply wish I could turn back the hands of time and make everything alright for you. You may be gone away from the body, but you'll forever be in my heart. I love you Cousin...Always! Sleep In Peace. XOXOXOX
