“ Signora and I were middle school besties. I spent so much time with her at her house on Hanes Avenue with her mom, Ms. Fisher and her sister, Emily. Such fun times and great memories. She was such a sweet, dear, and caring person. We lost touch over the years but I will always have fond memories of our relationship. May God be with her children and her grandchildren during this difficult time.

“ I will miss our chats about her children and grand children and of times past. We both loved Jazz and while I was technically challenged, managed to patch in the music for her to enjoy during her journey to dialysis. She was always thinking about others and gave tithes to our church. I was blessed to know her.
