

Stanford Samuel Haughton

July 13, 1955 - July 15, 2003

Stanford Haughton, the son of Lucille Ellis and the late Utan Haughton, was born on July 13, 1955 in Catadupa St. James, Jamaica W.I. On July 14, 2003, under tragic circumstances, God decided his work was done and it was time for him to come home. Stanford received his early education in the parish of St. James where he was raised. Having found the need and desire to pursue a challenging career, he relocated his home to the city of Kingston. In 1973 he joined the Jamaica Defense Force (Army), and while serving he met Ms. Lorna Brown and started a relationship. Out of the relationship Stanford and Lorna were united in matrimony. To this union two sons and three daughters were born - Otis, Phillipia, Jacqueline, Denise and Ucal. Prior to meeting Lorna, he had also fathered two other children, Michael and Samantha. Stanford, affectionately called "JAH SAM", was a man who gave unselfishly to his family and friends. No task was too big or too small for him to do for his family. The word "no" was never a part of his vocabulary. He was a quiet, generous and thoughtful person with a smile on his face. He arrived in this country on December 22, 2002 and it was a blessing on December 25th to see him and his grandchildren play in snow for the first time. Although, our God and His supreme wisdom called our sweet "SAM" to rest, his goodness, caring and wisdom will always live on like a legacy of love. And just as he comforted you, may the memory of his love bring you peace. He leaves to cherish his memories: a beloved wife Lorna Haughton, three sons, Michael, Otis and Ucal; four daughters, , Samantha, Phillipia, Jacqueline and Denise;

mother Lucille Ellis; four brothers, eight sisters, three granddaughters, Shanika, Anaya and Kanilah; mother-in-law Avis Green; sisters-in-law, brothers-in-law, nieces, nephews, cousins and a host of relatives and friends.
