“ I would like to send my deep condolences to the family at this most difficult time. When our loved ones die, we wish we could do something to bring them back. We feel so helpless, yet we must trust in Jehovah, and leave it in his loving hands to right the wrong. Yes it is wrong for people to die, because this was never God's purpose when he created us. He desires for all obedient people to live eternally in peaceful and secure, happy conditions. One day he promises that his purpose will be realized. Isaiah 55:11 tells us that his word will never return to him without results, but will have certain success for which he has sent it. One day our dead loved ones will come to life again, because they will hear Jesus's voice and come out of the memorial tombs, according to John 5:28.29. One day we can rejoice and shout for joy when we see our loved ones alive again. But it all depends upon our obedience and our faith in Jehovah's son, Jesus. May the strength of the Lord be with you to comfort you during this time, and may your precious memories of Stanley be comforting to you, as well.##imported-begin##R Johnson##imported-end##
